

The Loop

We live in a world filled with uncertainty, and much of this uncertainty is so personal. Who we are and what it is that gives our lives identity, meaning, and purpose go to the very heart of the questions for our times. Today, Paul reminds us that we belong to the Lord. Whether we live or die, we belong to the Lord. Being the Lord's own is what shapes our self-understanding and defines how we relate to one another. All the things that divide us on earth and how we are tempted to identify ourselves by preference or desire are overcome by the Lord, who suffered for us, died to save us, and lives to set us free. This love makes it possible for us to see others as our brothers and sisters in Christ.
