

The Loop

It has been said, “History is written by the victors.” We can look back on our national and overall world history and the many battles waged, wars fought, conflicts had, and understand the truth of that assessment. In the written, Spirit-inspired Word of God, we have a record and affirmation of the greatest victories and the only Victor the world would ever need. As Jesus shows His power over demons in healing a possessed man, a battle is won. But a greater victory over Satan and destroying all we ever need fear would be fought and won as He laid His life down on the cross, fulfilled in the promised resurrection victory to follow. Scripture is our history but also our present and our future as it was written and continues to be proclaimed as we gather together and as we live each day with the assurance of Christ victorious over death, the grave, and all things.

We are now providing a Facebook LIVE streaming broadcast of the Sunday 8:00 am service.

Live Streaming and Sound Board Assistance

As you are probably aware, we broadcast live streams of our Sunday 8 am church services over Facebook. We also often broadcast special services, including Advent, Lent, Christmas Eve, Holy Week, and funerals. To keep providing this important function, we could use some additional volunteers to help operate the live streaming equipment, which includes the sound board, iPad, and equipment connections. Ideally, operators are scheduled for one service per month (if we have enough volunteers). It is not difficult to operate, and if you know how to use a smart phone or tablet, you are definitely qualified!! — And even if you don't know how to use these, it's not difficult to learn. If you are interested or would like additional information, please contact Joe Stibrich at (303) 956-9439 or jstibrich@gmail.com.
