

The Loop

When you feel all alone, remember this: you are not alone. First, you are not alone in feeling that way. In today's Old Testament Reading, you will see how even Elijah, the mighty prophet of God, felt all alone. "I, even I only, am left!" he exclaimed (1 Kings 19:10). That was his honest feeling; however, it wasn't true. The Lord revealed to Elijah that He had not abandoned His prophet, even reassuring Elijah of this by providing Elisha as his helper in proclaiming the Word of the Lord. God's presence and provision in Elijah's life reassured him of his divine purpose, and the same is true for you! As you will hear in today's message, it is much like King Henry V saying to recharge his discouraged army: "Once more unto the breach!" When you feel discouraged, remember that God's work in you is not finished! In Christ's victory, there is still work to do! His presence and provision, which you will receive yet again today, reassure you of this! Jesus is with you! He loves you! And He sends His Spirit into your life to give you His purpose and direction, reminding you that you belong to Him!

We are now providing a Facebook LIVE streaming broadcast of the Sunday 8:00 am service.

Live Streaming and Sound Board Assistance

As you are probably aware, we broadcast live streams of our Sunday 8 am church services over Facebook. We also often broadcast special services, including Advent, Lent, Christmas Eve, Holy Week, and funerals. To keep providing this important function, we could use some additional volunteers to help operate the live streaming equipment, which includes the sound board, iPad, and equipment connections. Ideally, operators are scheduled for one service per month (if we have enough volunteers). It is not difficult to operate, and if you know how to use a smart phone or tablet, you are definitely qualified!! — And even if you don't know how to use these, it's not difficult to learn. If you are interested or would like additional information, please contact Joe Stibrich at (303) 956-9439 or jstibrich@gmail.com.
